Prep On!

Empowering USC MSBA Career Success with AI

Present Date: Sept 27th 2025

Present Team: Unify

The Client & Business Need

MSBA Students

- Limited Opportunities
 (Hard to find practice sessions)
- Generic Tools
 (Industry-specific)

MSBA Career Advisors

- Time Constraints
 (Limited 1-on-1 support)
- Scalability Issue
 (Cannot serve all students)

Objective

On demand, and Tailored Interview Preparation for USC MSBA Students and Career Advisors

PrepOn looks to be a tool for Career Advisors

Keep up with the trends and changes in Industries

CASE STUDY

Uber Driver Retention Challenge

Your team has been hired to improve Uber's driver retention rate, which has dropped 15% in the last quarter. Drivers are citing low earnings, long hours, and poor work-life balance as key concerns.

- **Key Deliverables:**
- Identify the root causes of driver churn
- Prioritize solutions by impact and feasibility

- Propose 3-5 strategic solutions
- Present a recommended implementation timeline
